We are looking for Security Officers to work on our contract with Amazon UK. Duties will include Access Control, Patrolling of warehouses, Staff Searches and any other security functions as required

- Maintenance of Client, ICTS, and quality control Standards and Company Procedures;
- Maintain the required professional standards of operation, in accordance with Company requirements;
- To act within the authorities set out by Management and the company's working procedures;
- To carry out any other duties as directed by supervisor;
- Promote ICTS (UK) & Ireland Ltd positively.

PERSON SPECIFICATION

Essential

- Excellent communication skill– both oral and written
- Flexibility according to operational needs
- Good administration skills, including basic computer skills
- 5-year checkable work history

Desirable

- SIA Licence – Full training will be provided
- Previous Security Officer experience

We take our commitment to principles of fairness and mutual respect for people of all faiths and cultures seriously and we expect our employees to do so as well. We take firm action where any concerns are raised both internally and by our clients, customers and members of the public.

All applicants must have correct documentation enabling them to work here and also have a permanent NI number.

Internal candidates will be expected to show a good attendance/timekeeping record and also a good performance in their previous role(s).

This position may be subject to Client/Board approval.

All Positions are subject to a probationary period of 6 months.

Please Note: The probationary period can be extended should the candidate's performance not meet the required standard.

Interested parties should download a General Security application form from www.icts.co.uk and email it to work@icts.co.uk indicating the location they wish to work.
